THE IMPACT OF SHOWING UP

Across our more than 30 programs and services, Jewish Family and Child Service continues to respond to the evolving needs of our community. The following highlights offer a snapshot of the reach and impact of this work**

J

1,150+ Holocaust survivors across the GTA accessed services, including emergency financial assistance and supportive counselling

635 clients received Rosh Hashanah and Passover holiday meals, in partnership with Chabad Midtown and Chabad North**

JEWISH

73 Jewish community members received support related to experiences of antisemitism

F

FAMILY

1,198 individuals accessed mental health services

133 adults and youth received grief and bereavement support through individual and group counselling

65 families accessed SupportAbility services, benefiting more than **110** children with developmental disabilities

C

CHILD

720+ Jewish children and youth at risk of abuse or neglect received support and advocacy

100% of Jewish youth who participated in Roots, Ruach & Resilience reported feeling more connected to their Jewish culture after the 4-week program

\$460,000+ was provided for children and youth in summer camp subsidies

S

SERVICE

168 employees make up our team, with **45** celebrating 10 to 50+ years of service

To better serve our diverse communities, JF&CS provides support in **English, French, Hebrew, Russian and Spanish**

The JF&CS Staff Wellness Committee promoted **well-being, connection** and **engagement** through initiatives including a Challah Bake, staff walks, and the Holiday Staff Meeting
